

MINI PLUM TOMATO

JOYELLO F1 (ex JOY)

- Rustic plant easy to manage.
- Plant with a long cycle.
- If the use of a rootstock is deemed necessary, is recommended one of an average vigor.
- Sensitive variety to substances to action (direct and indirect), development regulator.

HR: ToMV:0-2/Fol:0

IR: TYLCV/Ma/Mi/Mj

- Regular, medium-sized bunches length.
- Oval fruit, coloured bright red, tolerant to the cracks, excellent crunchiness and shelf-life.
- Average weight 20-25 gr.
- Excellent taste, high brix grade and high acidity.
